Re: Bursary Application for

**Miss Bryanna Joy Johnson**

Dear Sir;

It has come to our attention that the above applicant will be attending her first year at Simon Fraser University, in the Communications Arts and Technology Degree Program.

St. James Lodge No. 80, applaud this young lady's ambition, and it is our hope that the Bursary Committee will be able to assist her in her endeavors.

As for the Masonic connection, this letter will attest to the fact that her Father WB David Johnson, is an active Member in St. James Lodge No. 80, is a Past Master of this Lodge, and is currently the Junior Warden, as he is going through the Chairs again.

Your consideration on behalf of this applicant will be most appreciated.

Fraternally,

RWB Ray Little - Secretary
